4 Print Label and Prepare Shipment

This step is not necessary if you have one of our pre-printed envelopes

Go to thedarkroom.com/label

A. Go to thedarkroom.com/label and print mailing label.

B. Attach mailing label to a 6" x 9" padded envelope. Record tracking number (photo from smartphone is easy).

C. Insert this form, payment, film and drop in a U.S. mailbox.

Get The Darkroom App

View your photos, order developing, buy prints & more

Scan Details

With every roll we develop, The Darkroom's Lab Technicians will scan all frames in the scan size you select. Scanned files are uploaded for web viewing, downloading, printing, sharing with friends or posting to Facebook and Instagram.

thedarkroom.com/scans

File Size Note:

Files are compressed into JPGs (maximum quality) which will make the file size appear smaller until it's opened in an image editor like Photoshop.

Size representation is for illustrative purposes only

Standard Scan

Basic small scan for printing up to 4x6
3MB - 4.5MB

Enhanced Scan

Most Popular scans. Better detail, excellent for social media postings and for printing up to 11x14
12MB - 18MB

Super Scan

Best for large output
48.8MB - 87MB

Limit of Liability Submitting any tangible or electronic media, image, data, file, card, disc, device, film, print, slide or negative for any purpose, such as processing, printing, duplication, alteration, enlargement, storage, transmission, or other handling, constitutes an AGREEMENT that any loss or damage to it by our company, subsidiary or agents, even though by our negligence or other fault, will only entitle you to replacement with an equivalent quantity/size of unexposed photographic film or electronic media. Except for such replacement, our acceptance of the media, image, data, file, card, disc, device, film, print, slide or negative is without other liability, and recovery for any incidental or consequential damages is excluded. No expressed or implied warranty is provided.
